Note: Students interested in Information Systems & Business Processes should take either CSC 115 Intro to Programming and Computing or CSC 172 Computer Programming for Engineering at FLCC as their CSC Elective. This will fulfill the CS 141 Intro to Computer Science requirement for this major at Clarkson.

General Elective

Any Free Elective

* If student must take MAT 152 Pre-Calculus, it is very important that the student take MAT 271 Calculus I as a Math Elective at FLCC. While credit for MAT 152 Pre-Calculus can be offered at Clarkson, this credit does not count towards the degree program.

** Student should take BUS 124 Organizational Behavior.

*** Validation required – the student must take an upper level Marketing course at Clarkson.
