LS 196 Great Ideas II

Social Science Electives (6)

HUM/SOC Foundation Courses

Humanities Electives (6)

HUM/SOC Foundation Courses

Foreign Language (6)

Free Electives

**\*Mathematics (12-16):**

MA 157 Analytic Geometry & Calculus I

MA 131 Calculus I

MA 158 Analytic Geometry & Calculus II

MA 132 Calculus II

MA 258 Differential Equations  
Equations

MA 232 Elem. Differential

MA 160 Statistics

MA 282 General Statistics

**Science (15-20):**

CH 173 General Chemistry I

CM 131 General Chemistry I

CH 174 General Chemistry II

CM 132 General Chemistry II

BI 171 Modern Biology

Biology Elective

CH 221 Organic Chemistry I

CM 241 Organic Chemistry I

CH 222 Organic Chemistry II

CM 242 Organic Chemistry II

**Electives (9):**

PH 171 Physics I

PH 131 Physics I

PH 172 Physics II

PH 132 Physics II

BU 101 Principles of Business

Business Elective

**\*Students may take MA 154 Pre-Calculus Mathematics if necessary, however, credit will not be granted towards graduation requirements at Clarkson for this course.**
