

The Clarkson Healthcare MBA Program

As a Clarkson partner institution, your school shares an articulation agreement that ensures that students have the ability to waive core MBA courses based on their undergraduate curriculum. By waiving courses you will be able to reduce your time and cost in the Healthcare MBA program.

Siena College students that apply to the Clarkson Healthcare MBA Program will automatically qualify for:

- \$10,000 Fellowship Scholarship**
- Students with a 3.0 GPA and 550 GMAT score can qualify for a streamlined application process
- GMAT waiver for a GPA of at least 3.4

**Students can qualify for a higher level of merit based scholarship as outlined on the MBA webpage.

Please contact graduate@clarkson.edu for more information.

The following list shows the undergraduate courses at your institution that fulfill the requirements to waive a core course in the Clarkson Healthcare MBA program.

Healthcare MBA Course Waivers

Statistical Methods for Data Analytics

QBUS 200 and 210, or MATH 371 and 470, or ATDV 110 and SOCI 304, or QBUS 200 and SOCI 304

*Each student is allowed to waive up to 9 credits (three courses) to reduce their program to 39 credit hours. Students who have taken the appropriate courses to waive more than 9 credits can also waive other core course requirements but they will need to replace the credit hours with additional electives to still complete a minimum of 39 credits.
