

CLARKSON UNIVERSITY FALL OPEN HOUSE

School of Arts & Sciences | Reh School of Business | Institute for a Sustainable Environment

Applied Math & Statistics • Biology • Biomolecular Science • Business Intelligence & Data Analytics • Chemistry • Communication & Media • Computer Science • Digital Arts & Sciences • Environmental Health Science • Environmental Science & Policy • Financial Information & Analysis • Global Supply Chain Management • History, Humanities • Innovation & Entrepreneurship • Mathematics • Mathematical Economics • Physics • Political Science • Pre-Health Professions • Pre-Occupational Therapy • Pre-Physical Therapy • Pre-Physician Assistant • Psychology • Science Studies • Social Documentation • Social Sciences • University Studies

9-10:30 a.m.

University Academics Fair & Light Breakfast

The University Academics Fair is your chance to seek out faculty members and current students from all of our schools — Coulter School of Engineering, School of Arts & Sciences, Reh School of Business — and the Institute for a Sustainable Environment (ISE). If you're already set on a major, take time to speak with the people who live it everyday. Still not sure about your major? This is the perfect opportunity to check out all the majors you're interested in.

Location: Student Center Multipurpose Rooms (2nd Floor)

10:30 a.m.

Welcome With President Tony Collins

As you finish up your morning, you'll be led to the Student Center Forum by our Admissions Ambassadors (look for their bright yellow t-shirts!) for the official Welcome. **Please do not attend the 10 a.m. Welcome unless engineering is your first choice.**

Location: Student Center Forum

10:45-11:30 a.m.

Academic Information Session 1

You'll have the opportunity to attend **two** academic-major sessions. At the end of the Welcome, Vice President Brian Grant will call all School of Arts & Sciences, Reh School of Business and Institute for a Sustainable Environment academic majors one by one. Listen for your first-choice major and follow the Admissions Ambassador to the appropriate academic session. **Pre-health professions (PT, PA, OT, Vet, Dental, Medical) are not majors and are only offered in Session 2.**

Academic Session Locations

SCHOOL OF ARTS & SCIENCES MAJORS

Applied Math & Statistics.....Science Center 354
Biology.....Science Center 162
Biomolecular Science.....B.H. Snell 214
Chemistry.....B.H. Snell 214
Communication & Media.....B.H. Snell 130
Computer Science.....Science Center 334
Digital Arts & Sciences.....B.H. Snell 130
History.....B.H. Snell 205/207
Humanities.....B.H. Snell 205/207

Environmental Science & Policy.....TAC 208

UNDECIDED MAJORS

University Studies.....B.H. Snell 177
Engineering Studies.....Rowley 244
Business Studies.....B.H. Snell 213
Science Studies.....Science Center 320

SCHOOL OF ENGINEERING MAJORS

Aeronautical Engineering.....CAMP 178
Chemical/Biomolecular Engineering.....CAMP 194
Civil Engineering.....CAMP 176
Computer Engineering.....CAMP 195
Electrical Engineering.....CAMP 195
Engineering & Management.....CAMP 172
Engineering Studies.....Rowley 244
Environmental Engineering.....CAMP 176
Mechanical Engineering.....CAMP 177
Software Engineering.....CAMP 195

SPECIALTY PROGRAMS

(Session #2 only — not majors)

Adirondack Semester.....TAC 206
Pre-Health Sciences.....Downtown Campus
(Pre-OT, Pre-PT, Pre-PA, Pre-Dental, Pre-Medical,
Pre-Veterinary Science meet at Student Center Info
Desk at 11:45 a.m.)

Campus Tour Info

Student Life Campus Tours

Leaving at 9, 9:15, 11:30 a.m. & 2:30 p.m.

On this tour, you'll visit a residence hall, the Student Center, athletic facilities, the Educational Resources Center (ERC), eateries, Cheel Arena and more.

**The 2:30 tour does not coincide
with any other activities.**

All A.M. tours will leave from the Student Center Info Desk, located on the first floor. The 2:30 tour will leave from the location of your previous session.

(Continued on back)

11:45 a.m.-12:30 p.m.

Academic Information Session 2

We encourage you to visit more than one major or specialty program session while on campus. Use the list of all University majors and specialty programs on the front of this sheet to pick your second session.

See front for locations

12:30-1:30 p.m.

Buffet Lunch & Student Activities Fair

Enjoy a complimentary buffet lunch with Clarkson faculty, staff and students from your major. Vegan/vegetarian, lactose-free and gluten-free options will be available. After you've enjoyed lunch, check out some of Clarkson's 200+ student clubs and organizations and meet staff from University departments like ROTC, Athletics and Campus Safety.

Location: Indoor Recreation Center (IRC); buffet opens at noon

1:30 p.m.

Admissions & Financial Aid Session

The admissions and financial aid process can be confusing and stressful, but it doesn't have to be. Let our staff help you through it with this informational presentation, with time for a Q&A period afterward.

Location: Science Center 360

2 p.m.

Career, Study Abroad & Student Life Panel

If you haven't heard, Clarkson boasts an incredible 95 percent placement rate, and this fall's annual Career Fair included over 190 employers vying to hire Clarkson students. Plus, we offer more than 55 study abroad options in 28 countries. Stick around to hear first-hand experiences about career, internship and co-op opportunities, study abroad and student life.

Location: Student Center Forum

2:30 p.m.

Student Life Campus Tour (optional)

After familiarizing yourself with our academic majors, it's time to check out the other side of college — student life! Visit a residence hall, the Student Center, athletic facilities, the ERC, Cheel Campus Center, eateries and more.

Leaving from the Student Center Forum

Leaving at 11:45 a.m.

Clarkson Hall Tour for Pre-Health Sciences (optional)

Students interested in Pre-Physical Therapy (Pre-PT), Pre-Physician Assistant (Pre-PA), Pre-Occupational Therapy (Pre-OT), Pre-Veterinary Science, Pre-Medicine and/or Pre-Dental can join faculty, staff and students from these programs on a bus to our Downtown Campus for an overview of the programs and a tour of the facilities.

Pick up and drop off at Student Center Info Desk located on the first floor.

1:30-2:30 p.m.

Transfer Student Info Session

Students interested in learning more about our transfer admissions & financial aid process are invited to attend a special information session.

Location: Student Center Multipurpose Rooms (2nd floor)
