

CLARKSON UNIVERSITY FALL OPEN HOUSE

Coulter School of Engineering

Aeronautical Engineering • Biomolecular Engineering • Chemical Engineering • Civil Engineering • Computer Engineering
Electrical Engineering • Engineering & Management • Engineering Studies • Environmental Engineering
Mechanical Engineering • Software Engineering

9-9:45 a.m.

University Academics Fair, SPEED and Facilities Tour & Light Breakfast

The University Academics Fair is your chance to seek out faculty members and current students from all of our schools. If you're interested in seeing our SPEED labs or engineering facilities, ask one of our faculty to show you around. Still not sure about your major? This is the perfect opportunity to check out all the majors you're interested in.

Location: CAMP Atrium

10 a.m.

Welcome With President Tony Collins

As you finish up at the academics fair, you'll be led to the Student Center Forum by our Admissions Ambassadors (look for their bright yellow t-shirts!) for the official Welcome.

Location: Student Center Forum

10:15-11:15 a.m.

Academic Information Session 1

You'll have the opportunity to attend **two** academic-major sessions. At the end of the Welcome, Dean Bill Jemison will call all engineering academic majors one by one. Listen for your first-choice major and follow your Admissions Ambassador to the appropriate academic section.

Session locations are also listed at the bottom of this sheet.

Campus Tour Info

Student Life Campus Tours

Leaving at 9, 9:15, 11:30 a.m. & 2:30 p.m.

On this tour, you'll visit a residence hall, the Student Center, athletic facilities, the Educational Resources Center (ERC), eateries, Cheel Arena and more.

The 2:30 p.m. tour does not coincide with any other activities.

All A.M. tours will leave from the Student Center Info Desk, located on the first floor. The 2:30 p.m. tour will leave from the location of your previous session.

Academic Session Locations

SCHOOL OF ARTS & SCIENCES MAJORS

Applied Math & Statistics.....	Science Center 354
Biology.....	Science Center 162
Biomolecular Science.....	B.H. Snell 214
Chemistry.....	B.H. Snell 214
Communication & Media.....	B.H. Snell 130
Computer Science.....	Science Center 334
Digital Arts & Sciences.....	B.H. Snell 130
History.....	B.H. Snell 205/207
Humanities.....	B.H. Snell 205/207
Liberal Studies.....	B.H. Snell 205/207
Mathematics.....	Science Center 354
Mathematical Economics.....	B.H. Snell 213
Physics.....	Science Center 272
Political Science.....	B.H. Snell 205/207
Psychology.....	B.H. Snell 212
Science Studies.....	Science Center 320
Social Documentation.....	B.H. Snell 205/207
Social Sciences.....	B.H. Snell 205/207

SCHOOL OF BUSINESS MAJORS

Business Intelligence & Data Analytics.....	B.H. Snell 213
Business Studies.....	B.H. Snell 213
Engineering & Management.....	CAMP 172
Financial Information & Analysis.....	B.H. Snell 213
Global Supply Chain Management..	B.H. Snell 213
Innovation & Entrepreneurship.....	B.H. Snell 213
Mathematical Economics.....	B.H. Snell 213

ENVIRONMENTAL (ISE) MAJORS

Environmental Health Science.....	TAC 208
Environmental Science & Policy.....	TAC 208

UNDECIDED MAJORS

University Studies.....	B.H. Snell 177
Engineering Studies.....	Rowley 244
Business Studies.....	B.H. Snell 213
Science Studies.....	Science Center 320

SCHOOL OF ENGINEERING MAJORS

Aeronautical Engineering.....	CAMP 178
Chemical/Biomolecular Engineering.....	CAMP 194
Civil Engineering.....	CAMP 176
Computer Engineering.....	CAMP 195
Electrical Engineering.....	CAMP 195
Engineering & Management.....	CAMP 172
Engineering Studies.....	Rowley 244
Environmental Engineering.....	CAMP 176
Mechanical Engineering.....	CAMP 177
Software Engineering.....	CAMP 195

SPECIALTY PROGRAMS

(Session #2 only — not majors)

Adirondack Semester.....	TAC 206
Pre-Health Sciences.....	Downtown Campus
(Pre-OT, Pre-PT, Pre-PA, Pre-Dental, Pre-Medical, Pre-Veterinary Science meet at Student Center Info Desk at 11:45 a.m.)	

(Continued on back)

11:15-11:45 a.m.

Academic Information Session 2

If you are interested in exploring another major, we encourage you to visit an additional academic info session. Use the list of all University majors and specialty programs on the front of this sheet to pick your second session. After this session, check out the Engineering Showcase in CAMP Atrium and CAMP SPEED Labs.

See front for various locations

OR

11:15 a.m.-12:30 p.m.

Engineering Showcase

This showcase highlights unique opportunities related to our majors, minors, concentrations and student groups. A must-see is the SPEED labs, with representation from our 13 award-winning SPEED teams, such as Baja SAE, Clean Snowmobile, ChemE car and FIRST Robotics.

Location: CAMP Atrium and CAMP SPEED Labs

Leaving at 11:45 a.m.

Clarkson Hall Tour for Pre-Health Sciences (optional)

Students interested in Pre-Physical Therapy (Pre-PT), Pre-Physician Assistant (Pre-PA), Pre-Occupational Therapy (Pre-OT), Pre-Veterinary, Pre-Medicine and/or Pre-Dental can join faculty, staff and students from these programs on a bus to our Downtown Campus for an overview of the programs and tour of the facilities.

Pick up and drop off at Student Center Info Desk, located on the first floor.

12:30-1:30 p.m.

Buffet Lunch & Student Activities Fair

Enjoy a complimentary buffet lunch with Clarkson faculty, staff and students from your major. Vegan/vegetarian, lactose-free and gluten-free options will be available. After you've enjoyed lunch, check out some of the 200+ student clubs and organizations and meet staff from University departments like ROTC, Athletics and Campus Safety.

Location: Indoor Recreation Center (IRC); buffet opens at noon

1:30 p.m.

Career, Study Abroad & Student Life Panel

If you haven't heard, Clarkson boasts an incredible 95 percent placement rate, and this fall's annual Career Fair had over 190 employers all vying to hire Clarkson students. Plus, we offer more than 55 study abroad options in 28 countries. Stick around to hear first-hand experiences about career, internship and co-op opportunities; study abroad and student life.

Location: Student Center Forum

2 p.m.

Admissions & Financial Aid Session

The admissions and financial aid process can be confusing and stressful, but it doesn't have to be. Let our staff help you through it with this informational presentation, with time for a Q&A period afterward.

Location: Science Center 360

2:30 p.m.

Student Life Campus Tour (optional)

After familiarizing yourself with our academic majors, it's time to check out the other side of college — student life! Visit a residence hall, the Student Center, athletic facilities, the ERC, Cheel Campus Center, eateries and more.

Leaving from the Student Center Forum

1:30-2:30 p.m.

Transfer Student Info Session

OR

Students interested in learning more about our transfer admissions & financial aid process are invited to attend a special information session presented by Director of Admissions Trish Dobbs and Associate Dean of Transfer & Undergraduate Admissions Jonathan Moser.

Location: Student Center Multipurpose Rooms (2nd Floor)
