Health Clinic

Health Clinic service is available to students in the Young Scholars program at a designated area on campus. The clinic will be staffed by Emergency Medical Trainers twenty-four hours a day. EMT and CPR/first-aid-trained campus safety proctors will be on call throughout the evening and night hours.

To help with diagnosis and treatment, it is essential that the staff have on hand in the clinic medical information for each student. Under New York State Health Department regulations, **you cannot stay/attend the camp without having these forms completely and correctly filled out through CampDoc.** Please note the necessity for health insurance to cover medical treatment for illnesses beyond the capability of the Health Clinic. Staff will be available at registration to ensure we have received all forms/documents and administer prescribed medications.

Some Important Rules

While attending Young Scholars, Clarkson University is responsible for your well-being. Please be aware of our policies, which are simple.

- ▶ **No participant is allowed to leave campus on his/her own at any time for the duration of the program except in the case of an emergency or with specific, written parental consent.** Should an emergency arise, you must immediately notify Brenda Kozsan, Young Scholars Director, at bkozsan@clarkson.edu or by phone at 315-268-4425 or cell at 315-250-2014 who will then contact your parents. **Students who are commuting to campus each day will need to have a parent sign them out each day through the Director or a camp counselor.**

- ▶ Participants may not use automobiles or motorcycles during the program (unless approved as a commuting student). Cars will be parked in a lot designated at registration. Participants must turn in all copies of their vehicle keys at registration.

- ▶ Alcoholic beverages, tobacco, use of illegal drugs or gambling are not permitted.

- ▶ State law prohibits any firearms or weapons in dormitories. Neither are allowed on Clarkson's campus nor in Clarkson facilities.

Violations of the above may result in dismissal from the program.

The acceptance of our rules was confirmed with receipt of the **Code of Conduct** form. Young Scholars participation represents a weeklong commitment. We hope that students will be permitted an uninterrupted immersion in the program.

We look forward to welcoming you to Clarkson University on Sunday, July 21!
