Specific ACPHS practicums count toward the 400-hour internship requirement. See a ACPHS or CRC program advisor for additional information.

Admissions Process

- Generally an undergraduate GPA of 3.0 is required to be considered for admission.
- CRC will accept the PCAT score in lieu of the GMAT (the MS has no standardized testing requirement). MBA students may want to take the GMAT so they can be considered to receive scholarships. Scholarship awards are determined by a combination of GPA and GMAT scores. Students who have not taken the PCAT will be required to submit a GMAT score if their ACPHS GPA is less than 3.2 by the start of their third year at ACPHS.

- Application materials include
 - Application form
 - Application fee of \$50
 - Essay
 - The MCAT and GRE are also accepted.
 - Two recommendations
 - Resume
 - Official transcript(s)

The MS has no standardized testing requirement.
The application can be completed online.

Additional Information

Students will be full-time ACPHS students through the completion of their ACPHS degrees. After students matriculate into Clarkson University's graduate degree program, scholarships equal to the cost of one course will be awarded to students. Tuition for additional courses will be determined

by and payable directly to Clarkson University. Tuition for Clarkson's graduate course(s) may be included in student loan requests if the course(s) qualifies as an elective at ACPHS.
