RAYMOND R. ANDREWS AWARD

The award is sponsored by friends and past students of Professor Ray Andrews. He taught CM223 for the majority of his 33 years at Clarkson. He was a teacher dedicated to his profession by remaining current with advancing technology, and also dedicated to the students, many of whom became personal friends.

1986 Anthony Bonnana
1987 Edward J. Dix
1988 Amy Walter
1989 Michael Fisher
1990 Albert J. Kline Jr.

OUTSTANDING SENIOR BIOMOLECULAR SCIENCE AWARD
The Outstanding Senior Award is given to a graduating senior Biomolecular Science major whose career at Clarkson has been exemplified by academic excellence as well as service to the division and University.

2002 Timothy Barcomb; David Evans
2003 Janel L. Smith
2004 Scott Charette
2005 Jacqueline Kesselring
2006 Darrin Pelerin; Adam Searleman
2007 Sarah Evans
2008 Cynthia Schreiner
2009 Jessica Terrell; Courtney Grayson

2011 Rama Yakubu
2012 Caitlin Mincer
2013 Martin LaFleur
2014 Not awarded
2015 Alyssa Hotalen
2016 Megan Borland; Rachel Fromme
2017 Kevin MacKrell
2018 Kerri Moseman
2019 Kiara Cruickshank
2020 Erica Abrantes

FRANK C. GOODRICH MEMORIAL FUND UNDERGRADUATE AWARD
The Frank C. Goodrich Memorial Fund Undergraduate Award is given annually to a graduating senior Chemistry major whose career at Clarkson has been exemplified by the traditions of scientific and humanistic thought and inquiry that made Professor Goodrich an outstanding chemist, scholar, and human being.

1981 Jeffrey Marra
1982 Lloyd Bumm
1983 Richard K. Taft
1984 Jeffrey Loo
1985 John G. Lenhart
1986 Larry L. Springsteen
1987 John Santa Lucia
1988 Edward Dix

2016 Brittany Snyder
2017 Jessica Roberge; Jessica Lewer
2018 Xulan Deng
2019 Ana Witkowski
2020 Henry Gomez

EDWARD D. SAYER MEMORIAL AWARD
The Edward D. Sayer Memorial Award is awarded to a senior Chemistry or Biomolecular Science student who has demonstrated academic excellence, superior contributions as an undergraduate teaching assistant and will be entering a graduate/professional school following graduation from Clarkson. This award is in honor of Edward Sayer, Chemistry 2004, who, in spite of his struggle with illness, exhibited all of the above qualities.

2006 Lauren Streeter; Michael Gumuka
2007 Cassandra Becker
2008 Kristen Larsen
2009 Karyn Cioppa

The Gamma Sigma Epsilon GEORGE L. JONES JR. AWARD
This award is sponsored by the chemical fraternity Gamma Sigma Epsilon and awarded to an outstanding Sophomore Chemistry major, recipient’s name is displayed on the award plaque in the Chemistry & Biomolecular Science Department.

2011 Kathryn Chambers
2012 Christopher Netzband
2013 Nora Houlihan
2014 Joshua Pyser
2015 Megan Kaiser
2016 Xulan Deng
2017 Mark Taormina
2018 Alan Sherrod
2019 Megan Carhart
2020 Hannah Yorkey

DR. GEORGE L. JONES JR. MEMORIAL SCHOLARSHIP AWARD
This award recognizes an outstanding student in Physical Chemistry.

1978-1979 Bruce Robinson
1979-1980 Robert J. Leber
1980-1981 Timothy Wiltshire
1981-1982 John Potenza
1982-1983 Richard K. Taft
1983-1984 Matthew A. Strack
1984-1985 John Thomas
1985-1986 J. W. King
1987 Matthew J. Prince
1988 Michael A. Carr
1989 Timothy Zukas
1990 Brian Monty
1991 Michael McKechney
1992 Sarah Van Valkenburg
1993 Michele Crimi
1994 Samuel Vona Jr.
1995 Andrew Welch
1996 Anthony Moores
1997 Ronald Rozwood
1998 Adam Tatusko
1999 Lee Ann Fefee
2000 Andrew Kosta

THE BRUNAUER AWARD

The Brunauer Award was established by the Department of Chemistry in 1973 in honor of Professor Stephen Brunauer, former chair of the Department and the first director of Clarkson’s Institute of Colloid and Surface Science, and one of the world’s most eminent and most respected chemists. It is awarded on Commencement day to a graduating senior who has written an outstanding senior thesis in chemistry, and it is the highest professional honor that the department can bestow.

1973 Randall C. Perkins
1974 Allen Padwa
1975 Richard T. Cataldi
1976 Karl Bratin
1977 Dennis Vogel
1978 Mark M. Conway

NORTHERN NEW YORK SECTION OF THE AMERICAN CHEMICAL SOCIETY AWARD:
The Northern New York Section of the American Chemical Society Award is awarded to an outstanding senior Chemistry major.

2020 Samantha Salim

THE DEPARTMENT OF CHEMISTRY AND BIOMOLECULAR SCIENCE FRESHMAN AWARD:
The award recognizes an outstanding freshman student in the Department of Chemistry and Biomolecular Science.

2020 Zachary Goad

Updated August 2020
THE STIG E. FRIBERG AWARD FOR UNDERGRADUATE RESEARCH:
The Stig E. Friberg Award for Undergraduate Research will be bestowed upon a junior or senior showing excellent academic achievement who is conducting original research and has either been published or has a clear path to publication. The Award is made possible by the generous support of Stig’s past students and collaborators.

2020 Megan Carhart

EGON MATIJEVIĆ ENDOWED CHEMISTRY SCHOLARSHIP:
The award was established in 1988 in honor of Dr. Egon Matijević, Clarkson’s Distinguished University Professor, for his enormous contribution to the scientific community around the globe and for his exemplary service to the Department of Chemistry & Biomolecular Science, the Center for Advanced Materials Processing, and the entire University. The award recognizes an outstanding undergraduate student in the Department of Chemistry & Biomolecular Science with a scholarship, which is renewable up to four years during the student’s undergraduate study at Clarkson.

2020 Zachary Sechrist, Aria Belle, Zachary Goad, Maximillian Card, Brittany LaBarge, Emily Locke

OUTSTANDING GRADUATE TEACHING ASSISTANT AWARD
The Outstanding Teaching Assistant Award is given to a graduate Teaching Assistant in the Department of Chemistry & Biomolecular Science who has demonstrated teaching excellence and high productivity in their research while maintaining an exemplary academic record.

2017 Ali Othman
2018 Kelly Tillman
2019 Vasantha Kadambar
2020 Fatima Mustafa

OUTSTANDING GRADUATE STUDENT AWARD
The Outstanding Graduate Student Award is awarded to an exceptional graduate student in the Department of Chemistry & Biomolecular Science to honor their significant and outstanding research and scholarly contributions.

2018 Darpandeep Aulakh
2019 Eduard Dumitrescu
2020 Juby Varghese
