Minor in Project Management

Clarkson University offers a Minor in Project Management, a field that entails managing people, resources, and budgets to ensure projects are completed on-time, on-budget, and within performance.

The minor is:

- Open to all students in all majors and is useful for engineers, science and business majors.
- An opportunity for students to pursue certification through the Project Management Institute (PMI), a great resume item and source of value recognized by employers.
- An opportunity for certain students to sit for the American Society for Quality's "Certified Quality Improvement Associate" exam.

To earn a Minor in Project Management, students must maintain a 2.0 average in the five (5) three-credit courses, distributed in the following fashion:

A. Both of these courses:

Semester/Grade

_____ _____ OM/EM380 Project Management (Prerequisite: statistics course)

_____ _____ OM/EM451 Quality Management and Lean Enterprise (Prerequisite: statistics)

B. One of these courses:

_____ _____ OM/EM484 Advanced Project Management (Prerequisite: OM/EM380)

_____ _____ EM482 Systems Engineering and Management (Prerequisite: senior standing and engineering major)

C. Two elective Courses (Choose any pair):

Option 1:

_____ _____ OS/EM286 Organizational Behavior (Prerequisite: Sophomore standing)

_____ _____ OS352 Strategic Human Resource Management (Prerequisite: OS286)

Option 2:

_____ _____ OS/EM286 Organizational Behavior (Prerequisite: sophomore standing)

_____ _____ OS466 Negotiations and Relationship Management (Prerequisite: OS286)

Option 3:

_____ _____ OM/EM331 Operations & Supply Chain Mgmt (Pre/Coreq: IS110 or permission; Prereq: statistics)

_____ _____ OM/EM476 Management of Technology (Co/Prerequisite: OM331) or EM482 or EM/OM484,
whichever is not selected above.
