## Master of Business Administration in Healthcare Management

**CURRICULUM 2021/2022**  
**(48 CREDIT PROGRAM)**

### ABOUT THE PROGRAM

An MBA in healthcare management from Clarkson University prepares students for the rigors of business and healthcare. The curriculum is designed to help students understand the complexities of the healthcare system and manage health and health-related facilities more effectively. Graduates go on to successful careers as administrators and analysts in healthcare, governmental and private sector organizations with strong healthcare interests. Clarkson's comprehensive program provides an intimate learning environment and is one of a select few programs in the country to offer dual AACSB and CAHME accreditation.

*\*Residency requirements:* Online students are required to participate in three onsite sessions. Each is three days long (Friday-Sunday). These residencies typically occur in September and April of each year.
