

# Mother Nature & Me

## Homeschool Program

### Let's Explore Together!

Group nature explorations to support learning, literacy and curiosity.

*Cost : \$15 per session, per student*

**Who:** This program is for groups of homeschool students in Pre-K through 8th grade. At least one adult chaperone must accompany the group.

**What:** Students will participate in exploring Denning's Point State Park. Each lesson is centered around nature-based, sensory, and hands-on learning.

**Where:** Clarkson's Beacon Institute  
Water Ecology Center at Denning's Point  
199 Denning's Avenue, Beacon,
