

## Future of Healthcare Leadership Fellows Program

Clarkson University and the MBA in Healthcare Management program would like to invite you to apply for the fellowship program at our Capital Region Campus in Schenectady, NY.

Clarkson's MBA in Healthcare Management is a 48 credit hour program designed to combine the power of an MBA with the passion of Healthcare. Our courses have been specifically tailored to enable professionals to succeed in the Healthcare industry through business expertise.

As part of the program, students selected will take part in the following schedule and benefits:

- Receive a **30% tuition scholarship** towards your MBA in Healthcare Management program
- Complete the program in **either one calendar year** (taking 4 classes per quarter) or over **two calendar years** (2 classes per quarter)
- Attend all classes in person (when available) at Clarkson's Capital Region Campus (CRC) campus in Schenectady, NY
- Receive potential waivers from your undergraduate coursework (up to 9 credits!)

This program begins in the Fall quarter (Early September), runs for 4 quarters finishing the following Summer (end of August). Students must maintain good academic standing and attend classes in person at the CRC campus to retain the Future of Healthcare Leadership Fellow award.

**Admission to this program is dependent on a highly selective department review.** Eligibility and consideration is available to anyone with a 3.3 G.P.A. or above, but space is very limited for this special program as it is currently capped at 10. The deadline to apply to be considered for the program is **August 1st**.

In order to be considered for the fellowship you must submit a **personal essay offering your thoughts on the importance of leadership for the future of the healthcare industry.**

Additional admission requirements for this program:

- Already have or will receive bachelor's degree prior to the start of the program
- Resume
- College Transcripts (for all colleges attended)
- 2 Letters of recommendation

Please note: if you apply and are not accepted into the fellowship program, you are still eligible for a merit scholarship assuming you are admitted to the Healthcare MBA program. Applicants with a GPA is below a 3.3 with professional experience are also encouraged to apply for the fellowship. *When applying, select residential delivery and upload your fellowship essay to the supplemental section of your application.*
